The Concept: Days in the sun

Perched over the crystal-clear waters of the Aegean Sea, the astonishing luxury Mykonos villa Urania is situated on a rocky hill in Fanari, within a reasonable distance from Mykonos town and some of the most beautiful beaches of the island. With gorgeous views over the sea and unique architecture that incorporates the island's rocks, this luxury villa is ideal for your island getaway with friends or a laid-back holiday in the sun with family. We know you are already excited but let us show you around your summer home away from home!

Outdoors

Do you want to relax and soak up the sun? Maybe enjoy a Mediterranean dinner with a view? Or would you prefer to hit the gym before you take a refreshing dive in the pool? Guess what! Here you can do it all! Unwind by the large infinity pool with the super comfy sunbeds and hammocks, dine al-fresco at the shaded dining area with the huge table or invite your friends for a tennis match at the grass tennis court with the most astonishing view you have ever seen! Your days in luxury just began!

Interior Design

The villa's interior is warm and welcoming with wooden floors, exposed ceiling beams and large windows giving a bohemian feel. The dining area with the traditional, white fireplace is connected with the luminous living room, while a fully equipped kitchen is right beside, partially separated by a wooden bar. For the 13 guests that can be accommodated here, the villa offers 6 high-comfort double bedrooms in 3 different levels -all featuring a king size bed, en-suite bathroom and A/C- and a cozy en-suite single room with a concealed balcony, ideal to host one child. Could you think of anything better to make you feel like home?

Ask our award-winning concierge, who is standby 24/7, about whatever pops in mind! Do you want a fancy meal at a hard-to-book restaurant or a delicious dinner by our chef at the privacy of your villa? She will arrange them for you before you can take a selfie!
